

RoscoLED™ Tape

Vibrant, Versatile Lighting Solutions

RoscoLED Tape Kits are fully customizable, engineered LED solutions designed to allow filmmakers and broadcast set designers to add attractive accent lighting into their sets. The product is available in easy-to-use kits that contain multiple reels of high-quality LEDs and integrated power and dimming controls to provide beautiful white or colored light for any application. Flexible, field-cutttable and fully controllable configuration options offer designers and filmmakers an easy way to integrate LEDs into their next project.

RoscoLED™ Tape Kits

- Each Rosco LED Tape Kit comes with multiple reels of high-quality, high-output, 24VDC LED Tape that are pre-configured with multi-pin connectors for easy installation – no soldering necessary!
- The RoscoLED Tape is field-cutttable, making it easy-to-customize for every project - big or small.
- Every RoscoLED Tape Kit includes a balanced RoscoLED Control Box that provides power control and flicker-free, DMX dimming to the LED Tape. Featuring plug-and-play connectivity, global 100-240 power input and DMX control via 5PXL & RJ45 - the RoscoLED Control Box makes installing RoscoLED Tape easy no matter where your next project is.
- RoscoLED Tape is UL-Listed, CE-certified and RoHS-compliant, and it comes with a 3-year warranty.
- Additional components are available to fully customize into your project.

Vibrant, Versatile Lighting Solutions

ROSCOLED TAPE STATIC WHITE KITS

Part No.:	293220100000 Tungsten
Part No.:	293220100015 Daylight
Kit Contents:	
	(4) 5M reels of Static White RoscoLED Tape (3000K or 5600K)
	(1) 300W RoscoLED Static White Control Box
	(4) 3M Static White Connector Cables

Color Temp	CRI	Lumen Flux	Power Consumption
3000K	>90	1000 lm/m	14.4W/m - 72W/5m
5600K	>90	1000 lm/m	14.4W/m - 72W/5m

ROSCOLED TAPE VARIWHITE KIT

Part No.:	293220100020
Kit Contents:	
	(4) 5M reels of VariWhite RoscoLED Tape (3000K - 6000K)
	(1) 400W RoscoLED VariWhite Control Box
	(4) 3M VariWhite Connector Cables

Color Temp	CRI	Lumen Flux	Power Consumption
3000K-6000K	>90	1500 lm/m	19W/m - 95W/5m

ROSCOLED TAPE VARICOLOR KIT

Part No.:	293220100025
Kit Contents:	
	(3) 5M reels of VariColor RoscoLED Tape (RGB+W)
	(1) 400W RoscoLED VariColor Control Box
	(3) 3M VariColor Connector Cables

LED Configuration	Lumen Flux	Power Consumption
RGB+W	1440 lm/m	23W/m - 116W/5m

COMPONENTS & ACCESSORIES:

Item Description	Part No.
5M Reel Static White RoscoLED Tape (24V/3000K)	293221100005
5M Reel Static White RoscoLED Tape (24V/5600K)	293221150005
5M Reel VariWhite RoscoLED Tape (24V/3000K-6000K)	293221200005
5M Reel VariColor RoscoLED Tape (24V/RGB+W)	293221250005
300W RoscoLED Static White Control Box	293222500000
400W RoscoLED VariWhite Control Box	293222600000
400W RoscoLED VariColor Control Box	293222700000
RoscoLED DMX Decoder 4 x 6A	293222610000
RoscoLED Power Supply 24V x 350W	293222620000
RoscoLED Static White Cable - 1M	293222010001
RoscoLED Static White Cable - 2M	293222010002
RoscoLED Static White Cable - 3M	293222010003
RoscoLED Static White Cable - 5M	293222010005
RoscoLED VariWhite Cable - 1M	293222020001
RoscoLED VariWhite Cable - 2M	293222020002
RoscoLED VariWhite Cable - 3M	293222020003
RoscoLED VariWhite Cable - 5M	293222020005
RoscoLED VariColor Cable - 1M	293222030001
RoscoLED VariColor Cable - 2M	293222030002
RoscoLED VariColor Cable - 3M	293222030003
RoscoLED VariColor Cable - 5M	293222030005
RoscoLED Static White Cable Splitter	293222110000
RoscoLED VariWhite Cable Splitter	293222120000
RoscoLED VariColor Cable Splitter	293222140000
